

Career and Life Planning Grant 2017-2018

Aims

- To integrate life planning education and career guidance with the school's curriculum, through which students are equipped with the knowledge, skills and attitude to make wise choices in accordance with their interests, abilities and orientations as well as connecting their career/academic aspirations with whole-person development and life-long learning; and
- To strengthen support for the students to pursue their interests and realize their potential.

Major Plans and Focuses

- Organize talks and workshops for JUPAS application
- Arrange local university visits for G9-11 students
- Arrange overseas university visits for senior form students who are interested in studying abroad
- Organize career talks for students in key industries
- Arrange individual counselling for students
