STUDENT LEARNING PROFILE

學生學習概覽

WHAT IS SLP?

- a requirement under the NSS curriculum
- Summary students' participation and achievement during senior secondary years

MAIN OBJECTIVES :

- to provide supplementary information on secondary school leavers's competencies and specialties

- to give a fuller picture of the students

- to encourage students to build up a profile to record and reflect on their learning experiences and achievements

How would colleges, universities or further education institutions use SLP in admissions?

- Important source of additional reference information during the selection process
- Framework for discussion during interviews
- Good reference value to universities

WHAT IS EXPECTED TO BE INCLUDED IN THE SLP?

- Academic performance in school
- Other Learning Experiences (OLE)

  其他學習經歷 ✓

- Performance / Awards Gained Outside School (Major Awards and Major Activities) ✓

- Student's self-accounts (e.g. highlighting any impressive learning experiences or career goal setting)

DOES THE SLP INCLUDE EVERY SINGLE ACTIVITY ATTENDED BY A STUDENT?

- No, it is **NOT** necessary.
- Important
- Related to which subject you choose
- **Quality** and **not quantity**
