Time flies! The G7 admission briefing was completed with great success on the 29th of October 2022. Bountiful sharing and activities were organized for parents and students on that day. Participating in the talk, parents received a warm welcome from our school principal. They were also exposed to the introduction of different school programmes, namely the talent development programme, the IBDP Programme, the G7 integration programme, and International Exchange Programme. To top off the talk, diabolo and nunchaku performances, and a Q&A session held by Principal Dr. Raymond Tam, Mr. Paul Chan and Mr. Richard Yiu were done impressively.

Meanwhile, students had been assigned to different groups where they took various experienced different lessons - Science, English, Chinese, Sports and Chinese History. Through accomplishing different challenges and games, they were immersed in the G.T. culture and its learning atmosphere. It was truly delightful to see them enjoying the experience day. Lastly, thanks to the support of teachers, prefects, and parent and student representatives, all participants were satisfied and contented.

On the occasion of the 73rd National Day of the People's Republic of China, our school has the honour and pleasure to convey our cordial congratulations with two events - flag-raising ceremony at the school playground with teaching staff and students, and experience sharing session led by the Honourable Ronny Tong Ka-wah, a senior counsel and convenor of Path of Democracy. As a former Legislative Council Member and Chairman of the Hong Kong Bar Association, he gave his perspective on 'One Country, Two Systems' as a politician and a lawyer on 30th September, 2022. The talk gave students the opportunity to optimize their exposure to different topics in national education and strengthen their awareness of their national identity.

Besides, G.T. also took the opportunity to pay respect and honour to our National Flag on this solemn occasion. It is an important part of education and would help to enhance the sense of belonging to our motherland and a sense of national identity among students through contextual influences.

Student Sharing - Third Language Learning

G.T. College has always paved the way for the students' brighter future and social development. It has established the Third Language Group to raise the cultural awareness and give global perspective to the students. There are three European (French, German, and Spanish) and two Asian (Korean and Japanese) languages that are offered at G.T. Grabbing the opportunity to learn a new language would not only give them an edge in social life, but also proof to be beneficial in their future careers.

I would like to talk about my experience of learning French. I've been learning French since fifth grade, but I took a break during the peak of Covid and picked it up last summer again. At first, I learned French for fun, but over the summer, I started to take French seriously. I found French a difficult language, but after listening to songs with French lyrics and TV shows with French phrases, I found it so much easier, and my accent improved. Now, I can communicate and write in French. Next, I would love to go to France and learn more about their culture! It is always good to have an extra language in your head, you never know when and how it can be used to your advantage.

Bernelle Lai (8E) FRENCH 1

In 2009, I went to Canada, Quebec to visit my relatives. Most of the people there spoke in French and I could not understand well. Due to the language barrier, I was not able to join in most of the conversations. Hence, I decided that if I ever got an opportunity to learn another language, it would definitely be French!

After taking French this year, I realized that French is not as difficult as I thought. In fact, it is way more interesting to see how French is different from Chinese or English. The teacher, Mr. Farman, often uses games to boost our interest in French. I enjoy learning French and encourage everyone to grab such opportunity if it comes by.

Isabelle Tong (9A) FRENCH 1

It is a great honor to be able to take the third language class again in the eighth grade. The things taught in Korean class 1 were relatively simple, and they were all basic vocab, initials and finals. In Korean class 2, more daily conversations and advanced vocab will be taught. I took the Korean class because I have a strong interest in Korean culture and I also want to learn the essence of Korean. The learning process is also quite interesting. The teacher is very kind and there are many games for us to play to let us learn in fun

萬眾期待的運動會

▲母親歡樂跑，各人預備出發

自2019年舉辦運動會，闊別兩年多的運動會終於可以繼續舉行。當天天公造美，讓我們可以在晴朗的天氣下盡情享受各項比賽的樂趣。

當天早上，家長及學生們有序地掃描「針咭」及進入運動場，教練也為家長裁判們講解各項比賽規例，服務生們忙於佈置場地及指示工作。

運動會開幕禮開始，G6學生投入畢業跑，並帶領全校唱國歌及校歌。接着由陳校長致辭，運動員代表全體學生宣讀運動員誓詞。

各項比賽開始後，運動員希望在比賽中取得最好成績，大家盡展所能，投入參與各項比賽。在班際接力比賽中，更展現同心合力的團隊精神。

由於今年只能在上午進行運動會，因而未能如過往一樣舉辦親子接力賽，幸好仍能舉行父母親組的歡樂跑，爸爸及媽媽們也積極參與比賽，今年有400多位爸爸媽媽參加呢！

最後就是頒獎禮，先由李業富教授為大家分享，接着就是頒發各級的個人總冠軍及班際全場總冠軍。(詳見右表)

本年度運動會能夠順利完成，實在有賴各位家長的支持。同時，今年報名參與的家長義工人數打破新高，接近300人，謝謝各位家長！
