Introduction

The 2025-2026 Grade 7 Admission Briefing provides parents and students with a complete picture of the school's vision and mission, school curriculum and admission information. The event will feature two sessions throughout the day: the Parents' Talk and the Classroom Experience Activities.

Parents Talk: Parents will be invited to attend the admission talk in the school hall. A Q&A session will be available for parents afterwards.

Classroom Experience Activities: Dedicated to students, the Classroom Experience Activities allow students to immerse themselves in the GT teaching culture amongst various disciplines. Both events will take place concurrently.

Remarks:

- Classroom Experience Activities will be offered on a first-come-first-served basis. Successful applicants will be notified via email.
- Please note it is not compulsory for students to participate in the Classroom Experience Activities. They are welcome to join the Parents Talk with their parent/ guardian.
